How Do You See God? 2024- “*How Do You See God?*” is an exhibition that asks our artists to share their thoughts and beliefs through unique works of art. It is open to all faiths and beliefs, as well as all media, all ages, and 2D or 3D works. Each year, we photograph all of the art that is included in the exhibit and create a book with the artists and images. The book will be available by the second reception. This is the 14th year of the exhibition and will be our 13th edition of the book.
